(LOUISVILLE, KY—June 1, 2020)—[PeaceablyGather.com](https://www.peaceablygather.com), a growing national movement of religious leaders standing for rights guaranteed under the 1st Amendment of The Constitution and reclaiming the moral leadership of America’s pulpits, is holding a “Peaceably Gather Rally” in downtown Louisville, KY this Tuesday, June 2nd in a united call for an end to the riots.

WHO: Pastor Brian Gibson, founder of the Peaceably Gather movement, and a diverse group of respected pastors

WHAT: Peaceably Gather Rally

WHEN: Tuesday, June 2nd @ 12pm ET

WHERE: LOUISVILLE METRO HALL @ 527 W Jefferson Street, FL 4, Louisville, KY 40202

Facts on the Movement

- The Peaceably Gather movement derives its name from the 1st Amendment of The Constitution stating, “Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.”
- Peaceably Gather started on May 17, 2020 in response to elected leaders across the country unconstitutionally roadblocking places of worship in exercising their rights to safely gather their members.
- Thousands of churches have opened their doors to date, and notably the City of Chicago was compelled to stop persecuting two Romanian Penecostal churches last week.
- Kelly Shackelford, President, CEO and Chief Counsel for First Liberty, has committed that their team will provide legal defense for any church across the country that has its First Amendment rights violated. First Liberty has represented numerous churches across the country during the pandemic and has won every case, including a Federal statewide injunction opening all churches across KY for safe in-person services
